Dear LCC Family,

The LCC Foundation proudly welcomes you to our 2017-2018 school year. We are excited to partner with you in providing your students the best educational experience possible. The LCC Foundation exists solely to support and enhance our school's Academics, Arts, and Athletics. The San Dieguito Unified High School District covers our basic educational needs, and the Foundation funds supplemental courses, equipment, coaches, and technology that enrich the LCC experience. We are coming off a banner year in which we raised over \$100,000 during our annual parent campaign! These funds went to support crucial classroom areas. For instance, we were able to give \$35,000 to our STEM classes alone. We were also able to fund the "Every Fifteen Minutes" program that impacted our entire student body. This is on top of the tens of thousands that we granted to our teachers and their classrooms.

This year, we have our eyes set on even bigger and better things for our students. As always, we are partnering with Principal Marcus to fund key initiatives and areas of need. We are focused on improving key course offerings and expanding after school opportunities. We are planning to once again expand our Foundation Speaker Series for all school assemblies. We will be funding our after school enrichment program. And as always, we will be granting money to our teachers to fund important projects and supplies in our classrooms. La Costa Canyon has an incredibly talented student body who achieve great things in Academics, Athletics, and Arts. The Foundation relies on your donations to provide funding for a deeper, enriched educational experience. Even though we increased the amount of families who supported the Foundation last year, we still are under 25% of total families who give. Our goal, as always, is for 100% participation no matter how much a family gives. On the back of this form, you can read about different giving levels. If you have never supported us before, a simple way to begin is by giving a "dollar a day" for every school day of the year. That would be the \$180 option you see below.

Please join us as we raise money to help make LCC the school we are all proud of.

Your donation helps fund the following areas for ALL LCC students:

Academics: The majority of your donation is used to help LCC maintain the highest academic standards possible by supporting our faculty and supplementing materials for all subjects in the California Core Curriculum.

Counseling, College and Career: College and Career readiness is something on the mind of every LCC parent. The Foundation organizes crucial SAT/ACT prep courses and provides funding for after-school enrichment and college and career readiness guest speakers.

Technology: Every year, new opportunities arise for the LCC Foundation to fund vital technology upgrades in the classrooms and around campus. This includes computer equipment, software upgrades, and web development that are not covered by Prop or District funds.

STEM: LCC continues to increase its elective offerings and extracurricular activities in research and practical application of science, technology, engineering and math. Robotics, computer science and engineering opportunities would not be possible without LCC Foundation support.

Arts: Your donation supports all courses and programs offered in Video and Film, Dance, Band, Fine Arts, and Theater.
