#GIVING TUESDAY™

Dear LCC Supporters,

We know that there are many places you can donate to on “Giving Tuesday”, but we are hoping that you will take a moment to consider why giving toward your student, teachers, and classrooms is the best place for you to give TODAY. This has been such an incredible start to the 2017-2018 school year. We have seen a great response to our 50 Days to 125K Campaign where every donation of yours is matched dollar for dollar by some of our most generous donors. This money goes directly back into the classroom to support each and every student at LCC. Because of your generous support, we have been able to fund over \$50,000 in needs for our teachers and classrooms. Here is a small sample of some of the things your donations have been able to support:

- After-School Enrichment (Tutoring) Program
- Supplies and Animals for Science Classes
- Electric Pianos for our Music Program
- Calculators and supplies for our Special Ed Program
- Sewing Machines and Equipment for our Fashion Design Classes

These are just a handful of over 20 examples that have been supplied for our students. As great as it has been to be able to fund \$50,000 worth of essential supplies, there are many, many more that we have not been able to fund yet. We have more needs in all our departments – Science, Theater, Art, Math, English, the list goes on. We still have almost \$100,000 worth of needs.

As today is “Giving Tuesday”, we once again ask our parents to help us support these

very important needs for LCC. This is the perfect time of the year to give before 2017 is over, both for tax reasons and because this is the giving season. Every donation is tax-deductible (feel free to use our tax id 33-0708190).

So LCC supporter, can we count on you?

Please click on the button below and give online today as part of "Giving Tuesday". Thank you so much for your generous support!

Donations are welcome via our convenient online PayPal portal (click on the Donate button at left), by mail, or by visiting us at the Foundation office.

We have an amazingly skilled and talented community, and tapping into that resource is as important as fundraising for our classrooms. Please come and share your knowledge with the Foundation, whenever time allows. We currently have a need for volunteers in the following areas, the majority of which can be done from home!

Volunteer Coordinator:

The Foundation is looking for a parent volunteer to coordinate and send out SignUp Genius emails for both high school and Foundation-sponsored events throughout the year. Experience not required. Training will be provided.

Marketing Committee:

1. Compile the Foundation eNews (too easy!).
2. Manage our eBlasts (targeted emails via a program called Vertical Response. Training provided).
3. Manage and update the Foundation's website (WordPress knowledge beneficial, but if you're a fast learner, not required).

IT Support:

If you like to dabble in code, challenge yourself when computers or printers breakdown, monitor backups, databases, php programming, and more? This could be your dream hobby.

Please contact president@lchsfoundation.org to inquire!

Thank you to the LCC staff and community for your support of our expanding theatre program. To all those who attended the fall production of *The Love of Three Oranges*, we hope you enjoyed our comedic exploration of an ancient fairy tale. The show was certainly a wonderful experience for all the students who partook in its creation. Witness more theatrical whimsy at the annual Maverick Arts Festival and Student Art Show. Mark your calendars for May 17th, and we look forward to presenting *Les Miserables* as this year's spring musical.
