The [Brewers Tap Room](#) (an LCC family owned-establishment) has graciously stepped up to help support this year's Grad Night by celebrating the month of Mav-uary!

Come and meet the friendly owners and staff of this cosy neighborhood watering hole, while supporting our graduating seniors' final night of high school. The Brewers Tap Room prides itself on bringing rare quaffs to the lips of craft beer imbibers (and even serves a few wines to those who are less hoppy-inclined).

Pet-friendly, and outside food welcome.

See you there! Go Mavs!

The San Dieguito Union High School District requires **annual residency verification** for all continuing SDUHSD students and any new students enrolling for the 2018-19 school year, beginning February 1, 2018. This process is a legal requirement in California, and it helps our district ensure that all available resources are spent efficiently and effectively to the benefit of SDUHSD families. Moreover, these additional steps will help provide a full and precise account of our student population as we review staffing for the coming year.

All continuing students in grades 7 through 11 must submit required residency documentation by March 30, 2018 in order to schedule classes for the 2018-19 school year.

Forms should be dropped off at your student's school. Required verification forms are attached to this email and can also be found at <http://www.sduhsd.net/Parents--Students/Enrollment-Information/Residency-Verification/index.html> or can be picked up at your student's school.

Check the SDUHSD website at sduhsd.net or follow us on Facebook for updated information. If you have additional questions regarding **residency verification**, please email verify@sduhsd.net.
