»» Winter Formal Volunteers Needed »»

This Saturday, **1,000(!)** teens will be attending LCC's "**Journey to Atlantis**" Winter Formal, and we're looking for a few volunteers to help with check-in and bag-check at the event.

If you are able to spare a couple of hours on **Saturday evening, February 10th**, to bag-check students as they arrive at SeaWorld, the kids will be grateful that they can quickly and efficiently enter the venue where they can begin their evening of fun!

This is a very easy and enjoyable volunteer opportunity (everyone is so pretty and handsome!). Only **4** spots left to fill!

Thank you for stepping up!

»» Looking for folks in the LCC Community to volunteer skills »»

We have an amazingly skilled and talented community, and tapping into that resource is as important as fundraising for our classrooms. If time allows, please come and share your knowledge with the Foundation. We currently have a need for volunteers in the following areas, the majority of which can be done from home!

Volunteer Coordinator:

The Foundation is looking for a parent volunteer to coordinate and send out SignUp Genius emails for both high school and Foundation-sponsored events throughout the year. Experience not required. Training will be provided.

Marketing Committee:

1. Compile the Foundation eNews (too easy!).
2. Manage our eBlasts (targeted emails via a program called Vertical Response. Training provided).
3. Manage and update the Foundation's website (WordPress knowledge beneficial, but if you're a fast learner, not required).

IT Support:

If you like to dabble in code, challenge yourself when computers or printers breakdown, monitor backups, databases, php programming, and more? This could be your dream hobby.

Please contact president@lcchsfoundation.org to inquire!

LA COSTA CANYON eNews HIGH SCHOOL

The San Dieguito Union High School District requires **annual residency verification** for all continuing SDUHSD students and any new students enrolling for the 2018-19 school year, beginning February 1, 2018. This process is a legal requirement in California, and it helps our district ensure that all available resources are spent efficiently and effectively to the benefit of SDUHSD families. Moreover, these additional steps will help provide a full and precise account of our student population as we review staffing for the coming year.

All continuing students in grades 7 through 11 must submit required residency documentation by March 30, 2018 in order to schedule classes for the 2018-19 school year.

Forms should be dropped off at your student's school.

Required verification forms are attached to this email and can also be found at <http://www.sduhsd.net/Parents--Students/Enrollment-Information/Residency-Verification/index.html> or can be picked up at your student's school.

Check the SDUHSD website at sduhsd.net or follow us on Facebook for updated information. If you have additional questions regarding **residency verification**, please email verify@sduhsd.net.
