On July 1st, while many of you were enjoying a long 4th of July weekend, the Foundation bid farewell to a few long time Board members, and welcomed a few new ones. As we begin a new school year, we wanted to take a moment to recognize a few of these very important individuals. Every year, we have countless volunteers who serve and put in many hours of work for LCC. And every year we have parent Board members serve their year or two-year term (thank you Jill Williams, Carolyn Crane, and Paul Starita!). Many thanks also to Audra Hokunson, our volunteer coordinator, who served 2 years in that role. This past year, however, we had several folks who put in multiple years and terms of service. We believe they deserve an extra thanks from all of us at LCC.

Michelle Johnston has been serving on our Foundation Board for 4 years. Her term is up (although we convinced her to stick around and help some more) on the Board. She has done an amazing job serving as our Special Events Chair and our Hospitality Chair. Michelle has organized the In-Service and Staff Appreciation days for several years now.

Karl Eppel served our Foundation Board for 8 years. The last 4 years he served as our Grants chair, assisting Principal Marcus in making sure that the money we raised, went to the most needed and impactful areas our school.

Julie Mater served on the Board for 4 years. Julie served as our Board Secretary and co-Chaired LCC's fledgling Alumni Association. She also played integral roles throughout the Foundation.

Chris Berry served on the Board for 4 years as President of the Maverick Athletic Board (MAB). He has been invaluable in his time and efforts, ensuring that our athletic programs are funded and supported.

And finally, **Dave Steigerwald** has served on the Board for 9 Years! He served his first year as MAB Treasurer, 4 years as the MAB President, and the last 4 as our President of the Board. Dave made an impact on almost every level of the Foundation and LCC.

We cannot thank these incredible Board members enough for their time and service. They have put in years of work and literally hundreds (if not thousands) of hours over those years. They have been the lifeblood of the

Foundation and its support of LCC. Although some have graduated, a few of them are still in our community. If you see them, please take a moment to chat with them about the Foundation, and thank them for their service.

We welcome our newest parent Board members, Carolyn Chan (VP Development), Suzanne von Thaden (VP Communications/Recording Secretary), Kelly Caponetto (MAB President), Blair Nicholas (Member-at-Large), and Martina Sullivan (President).

We're looking forward to another great year supporting our students!

Volunteering at the Foundation is not only a great way to still be involved in your child's education, it's also a smart way to stay connected to the school, and all the great things that are happening both on and off campus. The Foundation has a couple of key **OPEN positions** ready to be filled by volunteers in our community. If these positions piques your interest, or you know someone who would be a great fit, please contact the Foundation at lcfoundation@sduhsd.net or drop by the Foundation office for a chat with our Executive Director, Dale.

Marketing Committee

Marketing is a game of perception, and here at the Foundation, we are always striving to reach every single one of our families on many different levels. Not only do we want to keep you in the know about our core mission: to support and expand academic, athletic, and art opportunities for all students at LCC, but we also hope to engage you in the Foundation's good work, whether directly or indirectly.

We're looking for someone, or even a few people(!) who would enjoy promoting that message. The vast majority of our Marketing can be done from home: weekly eNews (this medium), social media administration (Facebook, Twitter, Instagram), eBlasts (targeted emails), graphic or logo design (for our events).

What are you waiting for? Come join our team!

Fall Fundraiser

Do you enjoy throwing parties, getting to know your community, and fundraising for the best school in North County? <<< *we're clearly biased.* ;)

The Foundation is **looking for an Event Planner** to spearhead our annual Fall Fundraiser – the Foundation's biggest fundraiser, and a **truly fun event**.

Taste of La Costa 2017 eagerly awaits!
