*Imagine the possibilities!*

Good Afternoon Maverick Families!

I am so thrilled to inform you that after 2 weeks, our 50 Days to 125K drive now stands at **\$82,000!** Again, this money goes directly to LCC and its teachers and classrooms. But, as you can see, we are not done yet. Our goal this year is to reach \$125,000 in educational funding. We have received hundreds of thousands of dollars in teachers needs/requests this year and we want to fund as many of those requests as we possibly can. As we like to say, the District has provided a wonderful education for our students, but we fundraise to add a crucial layer on top of District funding that enriches the academic experience for every student at LCC. Through our parent's generous donations, we are more than halfway to our goal.

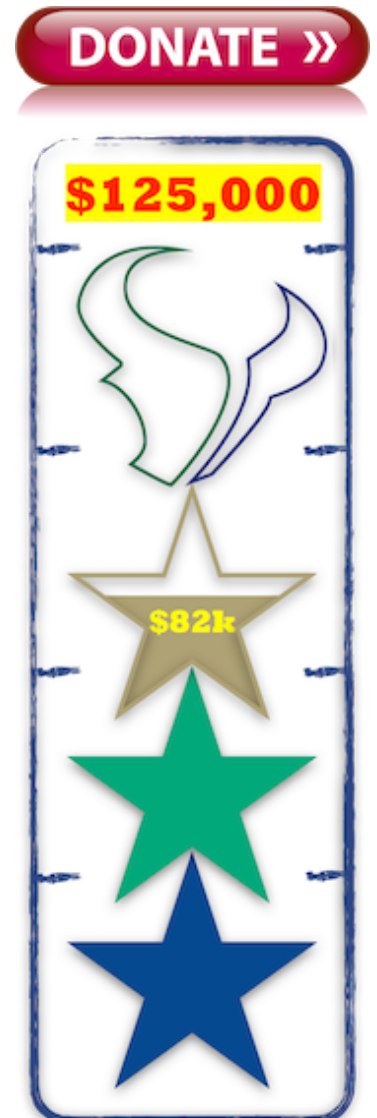

As I told you when we launched this campaign, we have had 10 incredibly generous families\* step forward and commit to matching dollar for dollar every donation we receive in the next 50 days up to reaching our goal of \$125,000. That means they have committed up to \$50,000 of their own money, to match donations from the rest of our LCC community. This is an incredible opportunity for our students at LCC. So, we need YOU! If you have not given to the annual education campaign yet, please do so today! Just click on the Donate button at right and watch your dollars grow! Together, we can make a huge difference in the lives of our students.

Please join us in elevating our teachers' and students' educational experiences.

*Dale Jagers*

LCC Foundation Executive Director

\*Special thanks to the Nicholas, Leddy, Roberts, Geier, Winter/Flicker, Beacham, Camarena, Schroeder, and Hnatek families, as well as our donors who wish to remain anonymous at this time, for their incredible generosity.

We have an amazingly skilled and talented community, and tapping into that resource is as important as fundraising for our classrooms. Please come and share your knowledge with the Foundation, whenever time allows. We currently have a need for volunteers in the following areas, the majority of which can be done from home!

#### **Volunteer Coordinator:**

The Foundation is looking for a volunteer to coordinate and send out SignUp Genius emails for both high school and Foundation-sponsored events. Experience not required. Training provided.

#### **Marketing Committee:**

1. Compile the Foundation eNews (too easy!).
2. Manage our eBlasts (targeted emails via a program called Vertical Response. Training provided).
3. Manage and update the Foundation's website (WordPress knowledge beneficial, but not required).

#### **IT Support:**

If you like to dabble in code, challenge yourself when computers or printers breakdown, monitor backups, databases, php programming, and more? This could be your dream hobby.

Please contact [president@lcchsfoundation.org](mailto:president@lcchsfoundation.org) to join our mission!
