During School Business Days, our students will be coming to school armed with forms (hopefully filled out!) from their [class-specific packages](#), receive their class schedules(!), take photos..., pay for all sorts of optional goodies, and then walk away with freshly minted student IDs. *Phew!*

If you can spare a few hours on one or more of these days, please click on the SignUp Genius logo at right.

It's a fun way to help welcome new and returning students to LCC, while ensuring this 4-day event runs smoothly and successfully. Let's help get our kiddos back to enjoying their final few weeks of Summer as quickly as possible!

Grad Night - June 14, 2019

**Grad Night
Committee**

It's never too soon to plan ahead. Ready or not, some of our babies will be graduating this year, and we want them to celebrate this milestone achievement both enjoyably and safely. Unfortunately, amidst the excitement, statistics have shown that students celebrating on the evening of graduation can experience one of the most dangerous nights of their young lives. Our goal is to save lives by providing a safe and sober graduation night of celebration. **Grad Night** is an exciting, memorable way for *all* our graduates to safely celebrate together the closing of this major chapter in their lives.

This year, we are going digital! **Permission Forms and payment** may be submitted [online](#) at your leisure. Check out [this MavNation video](#) (minute marker 2:02) on how much some of our past LCC Grads enjoyed Grad Night.

Please also consider volunteering for this very important event. This is the time to pay it forward, as **we encourage our whole community to support this annual tradition**, regardless of whether you have a graduating Senior this year, or in four years.

It takes a village to pull this special event together for our Senior class. Grad Night Chair, Christy Monko, is looking for a Co-Chair and members to form a committee. Please contact her at lccgradnight@gmail.com for more information and to ask how you can help.

Thank you for supporting LCC's Class of 2019!

**Love volunteering?
Help your student behind the scenes
during these “independent” teen years?**

Come join the team!!

The LCC Foundation is comprised of a fun group of volunteer parents, and together with our Executive Director, we are dedicated to improving all our students’ high school experiences by finding ways to not only enhance LCC’s Athletics, Academics and Arts cornerstones, but also their social and emotional wellness as they grow into young adulthood. The Foundation oversees the financial operations and fundraising programs for these three areas as well as special events and projects during the school year. To learn more, visit our [website](#) or our table during Business Days. Volunteer registration can also be submitted via our [online form](#).

All are welcome!
